LITTLE LOCALS.
Louis Meyer has a new ad
Have you read Hecht's new ad.
Mlle. Jeannette Stengele has already sold a large number of beautiful hats, but has quite a number left.
B. Denter, the furniture man, is showing some elegant up-to-date dressing cases in his window that will certainly attract any one wishing anything in that line.
This office is under obligations to Mrs. W. A. Ward for some fine home-grown linnens. Just now bananas are a very scarce fruit on account of the quarantine.
We are already hearing good reports from Prof. Parker, the new superintendent of schools, especially in regard to discipline, something that we are informed has been woefully lacking here.
The Beaumont Lumber Company's launch that sank in forty feet of water near the mill Thursday was raised this morning. The only damage was part of one side being torn off by the grappling hooks. The machinery is in good fix and the Eddie will be herself again in a few days. Monroe Carroll and Charles Tutlock were the ones on board instead of W. M. Carroll and Osa Lee, as mentioned in yesterday's daily.
The C. W. George manufacturing company have their hands full of all kinds of mill work. Now they are getting out mill work for a big brick residence for W. F. Walker, the Eagle Lake banker. The mill work amounts to a little over \$2000. The mill work for the fire engine Loose at Houston will amount to about \$1000. They are getting out the mill work for a large frame residence for Murrey Burleson, of Smithville, Texas, that will amount to \$1500 or more. Also for several Beaumont residences that are now being built, the most prominent among them being those of Mrs. A. R. Wilson and James L. Keith.
Bishop Gallagher Here.
Rt. Rev. N. A. Gallagher, bishop of Galveston, will administer the sacrament of confirmation at the Catholic church tomorrow, Sunday, morning, immediately after the 10 o'clock mass.

Rev. J. W. Bleker will deliver the last of the series of sermons on the Lord's prayer at the Episcopal church tomorrow morning. "For thine is the kingdom, the power and the glory forever and ever. Amen." Night service at 7:30 o'clock. Fine music by robed choir.
Injunction Suit.
An injunction suit was filed yesterday in which the Beaumont Wharf and Terminal company, by their attorney, Geo. C. Greer, ask that the Texas and New Orleans railroad be restrained and enjoined from bringing, filing and prosecuting any other suit or suits against plaintiff for restraining from connecting its terminal railway with main and lateral spurs for the purpose of operating its cars, engines and locomotives on same. Judge Stephen P. West granted the request.
Divorce Suits.
A divorce suit was filed in the county clerk's office today in which Silas T. Dodson asks that he be separated from his wife Effie E. Dodson, who is now in Kansas City. They were married in Kansas City in 1894 and had lived together as man and wife until last May. While living in Port Arthur Mrs. Dodson came to Beaumont and lived in adultery, and then went from here to Kansas. Anthony Scott wants a divorce from his wife, Nora Scott, on account of numerous floggings she gave him and abuse in general.

MATTINGS.
I have some of the most astonishing bargains in mattings ever heard of in Beaumont. The fact is I was astonished at the prices at which I bought them. Why you can't afford to use bare floors when you can buy matting so cheap. Think of it! JAPANESE MATTING with cotton wool for **12 1-2 cents**. Matting which usually costs 11 cents wholesale, I sell at **8 cents**. I have only a few pieces in stock but will have more. Come and see these bargains.

El Mar Arrived.
Train Dispatcher Emery, of the Sabine and East Texas, was notified this morning that the Morgan Line boat El Mar arrived at Sabine Pass this morning at 7:30, and that the work of unloading her cargo commenced at once. This is the first of the Southern Pacific boats to arrive at the Pass, and their continued coming there means much for that port.
